RGHK1 Basic Fall Arrest Harness Kit

Accredited to: EN361, EN354 & EN355
Web Material: 45mm Water repellent polyester
Weight; 1.15kgs (Harness only)
Features: Rip stitch indicator, front & rear attachment points

A complete economy kit for a range of applications. Each kit includes: RGH2 full body harness; RGL1 1.8m shock absorbing lanyard and a RGK1 Karabiner plus all the connectors you require to work safely a height.

Ridgegears range of height safety kits are designed for multiple applications.

Each complete kit consists of a full body harness, a shock absorbing lanyard or restraint lanyard (or fall arrest system - RGHK3) and the connectors you require to ensure safe working at height conditions at all times.

Every Kit can be supplied either in a Strong Case (as Shown) or a range of bags including pump bag or rucksack, making it easy to keep all your height safety equipment close at hand and in one place!
